The Medical Letter Inc.

The Medical Letter, Inc. is committed to providing objective, practical, and timely information on drugs and treatments of common diseases to help our readers make the best decisions for their patients—without the influence of the pharmaceutical industry.

Members of New Jersey Association of Osteopathic Physicians and Surgeons can now subscribe to The Medical Letter on Drugs and Therapeutics and receive a 20% discount.

Your yearly subscription includes:

- 26 issues of The Medical Letter: access in print, online, and with our mobile app. Includes past issues, and online only articles and tables
- Up to 52 CME credits per year. The Medical Letter is accredited by ACCME, AAFP, and ACPE. Participants can earn ABIM MOC points upon successful completion of an activity.
- Evidence-based, peer-reviewed evaluations of new FDA-approved drugs with conclusions reached by a consensus of experts
- Our signature tables and charts that make comparing drugs quick and easy
- Comparative reviews and recommendations of all of the preferred and alternative treatments for a given indication with particular attention to clinical efficacy, adverse effects, drug interactions and cost
